

## About NITTR, Kolkata

National Institute of Technical Teachers' Training & Research (NITTR), Kolkata was established in 1965 as Technical Teachers' Training Institute, Calcutta. This was one of the four such Institutes (other three being at Chandigarh, Bhopal and Chennai) established by the Department of Education, Govt. of India as fully centrally funded Autonomous Institution. The primary focus of the Institute is to provide in-service training to the teachers and staff of Degree and Diploma level technical institutions and conduct activities related to the quality improvement of the technical education system of the country. NITTR, Kolkata has been actively involved in improving the quality of technical education system in various states including those in the north-east through innovative academic interventions, providing assistance to policy makers at the national and state levels, formulation of educational plans, projects and their implementation in the fast changing scenario. The focal activities of the institute are short term training, curriculum development, learning resources development, research in the field of technical education system, educational management and extension services. Besides, the institute is also offering AICTE approved M. Tech. degree programmes in several branches of engineering.

## About the Conference

Engineering education, in our country has been experiencing expansion over the last few years. It is also witnessing rapid changes in its mode of delivery and implementation. Engineering education provides great service to the society at different levels. Due to the need for accreditation and quality improvement, experimentation is also being observed in our country at present. NCEE 2021 is being organised to delve into such issues. Owing to the challenges as emerging due to the pandemic, this conference will give us better insights into the

complete arena of higher education, particularly, technical education.

This conference is also being organised to mark the birth anniversary of Maulana Abul Kalam Azad who was the first education minister of independent India, the day being now celebrated as National Education Day, throughout the nation.

NITTR Kolkata is continuously in the pursuit of improving the technical education system in the country. As such the Institute encourages research activities in Engineering education and allied disciplines. The aim of this conference is to bring together researchers, academicians, policy makers, industrialists and other stakeholders to a common platform so that different strategies to improve the overall technical education of the country can be explored. The principal focus would be to rethink engineering education in a global way.

### Chairman

**Prof. Dr. Debi Prasad Mishra**  
Director, NITTR, Kolkata

### Coordinator

**Dr. Habiba Hussain**  
Associate Professor, Education and Management

### Core Committee

**Dr. Urmila Kar**  
Professor, Education and Management

**Dr. Sukanta Kumar Naskar**  
Associate Professor, Education and Management

**Dr. Habiba Hussain**  
Associate Professor, Education and Management

**Dr. Indrajit Saha**  
Assistant Professor, Computer sc. & Engg.

### Registration Fee

Academicians, Faculty Members	: Rs. 1000/-
Industry Personnel	: Rs. 2000/-
Research Scholars	: Rs. 500/-
M. Tech Students	: Rs. 300/-

# National Conference on Engineering Education 2021 (NCEE 2021)

11<sup>th</sup> & 12<sup>th</sup> November, 2021

### Objectives:

- To examine diverse branches of Engineering Education promoting innovation
- To develop a vision for Engineering Education with appropriate R & D
- To analyse the challenges as also opportunities so as to bring reforms in Engineering Education
- To explore new technologies fostering improved teaching methodologies
- To integrate quality in the process and product for global recognition

### Organized by:

**National Institute of Technical Teachers' Training & Research, Kolkata**

**Block-FC, Sector-III, Salt Lake City  
Kolkata – 700 106, West Bengal, India**

### Important Dates

- ❖ Full paper submission: 5<sup>th</sup> August, 2021  
**25<sup>th</sup> September, 2021**
- ❖ Acceptance notification: 15<sup>th</sup> October 2021
- ❖ Registration date: 30<sup>th</sup> October 2021

**Mode of Event - Virtual**
