EDUCATION | COURSE ANNOUNCEMENT

NITTTR Kolkata and MIDAS to launch Civil Engineering Skill Course on

Finite Element Modelling, Analysis and Design of Civil Engineering Structures Using MIDAS Software

Illustration: Concrete viaduct and finite element model

KOLKATA | NITTTR Kolkata and MIDAS will jointly offer a one-month certification course under CISD. The hybrid programme begins on 4 January 2027.

HYBRID MODE
Online + In-person

Participants will build finite element models, apply loads and boundary conditions, interpret structural analysis results, and use MIDAS software for structural design.

Course at a Glance

- 45 training hours
- 30 seats
- ₹1,000 course fee
- NCrF Level 4.5
- 1.5 credits
- Joint certificate

Programme Coordinator

Dr NaveenBP
Professor & Head, Department of Civil Engineering, NITTTR Kolkata
