NITTTR KOLKATA

NATIONAL INSTITUTE OF TECHNICAL TEACHERS' TRAINING AND RESEARCH, KOLKATA

(Deemed to be University)

— Under Ministry of Education, Govt. of India —

Ministry of Education
Government of India

Director's Message

It is with great honor and a deep sense of responsibility that I assume the additional charge as Director of the National Institute of Technical Teachers' Training and Research (NITTTR) Kolkata.

I extend my sincere gratitude to the Ministry of Education, Government of India, for entrusting me with this esteemed responsibility.

NITTTR Kolkata has long stood as a beacon of excellence in the field of technical education, teacher training, curriculum development, and educational research. The Institute's contributions over the decades have not only advanced pedagogical practices but have also played a pivotal role in shaping the future of technical teacher's education across the country.

As we continue this legacy, my commitment is to further strengthen our core mission-empowering educators, enriching technical teacher's education, and fostering innovation through capacity building, collaboration, and research. In the present dynamic educational landscape, we must embrace transformative changes, integrate emerging technologies, and remain responsive to the evolving needs of our stakeholders.

I take this opportunity to express my appreciation for the dedicated faculty, staff, trainees, students and scholars whose efforts uphold the Institute's reputation and drive its continuous progress. I also wish to acknowledge the contributions of my predecessor, whose leadership and vision have brought the Institute to its current stature.

I look forward to working collectively with all members of the NITTTR family, our partner institutions, and the wider academic and professional community to achieve new milestones in quality technical education and teacher training.

With Warm regards
Prof. V.M.S.R Murthy
Director (Additional Charge)
NITTTR, Kolkata

STTP AT A GLANCE

Short Term Training Programmes • Learn • Collaborate • Innovate

PROFESSIONAL AND SKILL BASED

Focused development for professional competence and practical skills.

NITTTR Kolkata • *STTP/FDP*

INDUSTRY ALIGNED & COLLABORATIVE

Building collaboration, relevance and industry-oriented learning.

NITTTR Kolkata • *STTP/FDP*

LEADERSHIP & MANAGEMENT

Strengthening leadership, management and decision-making capabilities.

NITTTR Kolkata • *STTP/FDP*

INDIAN KNOWLEDGE SYSTEM

Exploring India's knowledge traditions and their contemporary relevance.
